PROFESSIONAL ACCOMPLISHMENTS Since joining Beach Commercial in 2008, Carlmichael has increased his sales volume at an average of 33 percent each year. His market knowledge and extensive business relationships in the Charleston area allow him to bring new business to the market and find ideal tenants to grow his clients' portfolios.

As a 2014, 2015, and 2016 "Realtor of Distinction," Carlmichael is among the top 10 percent of sales producing Realtors registered with Charleston Trident Association of Realtors, having exceeded the criteria of completing over \$6.2 million in volume and/or 16.5 sides. According to 2015 data from Charleston Regional Business Journal, Carlmichael and his Beach Commercial colleagues produced more volume per agent than any other team in the Charleston Tri-County region. Beach Commercial's clients receive the benefit of a collaborative team and The Beach Company's extensive in-house professional services and resources.

BUSINESS AND EDUCATIONAL BACKGROUND Carlmichael was recruited to Beach Commercial to manage The Beach Company's retail portfolio. In this role he identifies prospective tenants for The Beach Company and third-party client's retail locations through intensive market research, handles new lease terms and renewals for clients and works closely with The Beach Company's asset manager to maximize profits.

In addition to participating in continuing education classes, Carlmichael is currently a candidate for the coveted Certified Commercial Investment Member (CCIM) designation, which is earned after completing a series of rigorous classes in financial analysis, market analysis, investment analysis and negotiation. He is a 2017 board member for CTAR's Commercial Investment Division (CID), which is responsible for putting on the Commercial Market Forecast each year.

PERSONAL Carlmichael has lived in Charleston since grade school. He graduated from The Citadel where here earned his bachelor's degree in business administration.
